## KULJAK WEBSITE

It is our intention to keep our web site up to date as best as possible for you to obtain the latest information and back copies of BSN.

## SAD NEWS

We are sorry to inform that member Bill Haskell has passed away on 01.05.11. A eulogy will be read out during the upcoming Annual Dinner.

## NEW VICE PRESIDENT

Committee would like to welcome Peter Smirk to the position of Vice President. Peter has been a stalwart of the game in Western Australia for many years and his experience as a player, referee and administrator of the game will be most welcome.

## KULJAK COMMITTEE POSITION

We are currently seeking a person to fill the vacant position as a committee member to help with the running of the club. This is not an onerous task, however, the extra person on committee helps in many ways. Any expressions of interest please contact me on; [salmon3@bigpond.com](mailto:salmon3@bigpond.com)

## 2010 ISSACHSON TROPHY

Congratulations go to Brad Goddard for winning the prestigious Issachson Trophy in 2010. Brad is a member of the East Fremantle Lacrosse Club and has been setting a high standard on the lacrosse field for quite some time. The Issachson Trophy is awarded to the player who records the highest Fairest & Best votes across all State competitions.

## LETTER to LACROSSE WA (LWA)

Club Treasurer Ian Toy has asked LWA to update and keep records of their Life Members and to ensure those Life Members are contacted separately from their aligned Lacrosse Club as most Club Secretaries do not distribute information out to past members (with the exception of our Secretary). It is vital to notify your Club, Kuljak and LWA if you have a change of address (email or street) so that you are kept up to date and informed on lacrosse issues.

## YOUTH SPONSORSHIP

The Kuljak Executive are pleased to announce that Courtney Ackland has qualified for sponsorship under our Youth Sponsorship policy. Courtney, who is Ian Toy's grand – daughter, has been selected in the Australian Women's Under 19 team competing in the World Championships in Germany later this year.

## ANNUAL GENERAL MEETING

Our Annual General Meeting was held at 7.30pm on Wednesday 13<sup>th</sup> April 2011 at the Subiaco Lacrosse Club Rosalie Park. Several members attended and we attach the Minutes with this issue of BSN.

## MISSING INFORMATION - LWA

Our thanks go to the people who have been assisting with the compilation of missing names and dates for past administrators of LWA. More gaps need to be filled in to achieve 100 percent accuracy for this important data for a future honor board. Attached with this copy of the BSN is a spreadsheet reflecting what information we have gained so far. If you are able to assist in providing any missing names, please let our Secretary Peter Salmon know.

## MEMBERSHIP RECORDS

One of the awkward parts of being the Secretary of Kuljak is trying to keep an up to date record of people's contact details. Postal and email addresses can only be known by us if we are told them. Please be aware that in this day and age communicating by email is the preferred option, however, posting mail is still done when we don't have email addresses. Letting us know of any changes in your contact details makes our job much easier.
